Dear Parents

The school year has commenced and we have welcomed our new students and their families. Presently we have an intake of 750 students, which is the maximum we can accommodate.

I especially welcome our new families into the school and reassure you that your son or daughter will have a great experience here at St Agnes.

Each school in the diocese is requested to set learning goals for the year. These goals focus on the teaching and learning agenda as outlined by the Catholic Education Office, Parramatta. As a result of these school goals, teachers will set their personal goals that will align to the school goals.

At various stages throughout the year there will times that the staff will "check in" to assure we are all on track.

Alongside these goals will be our overarching school plan called the Implementation Plan. This plan, usually set for a year, is based on Literacy, Numeracy and Formation.

For 2015 our goals are:

- \* to improve student Mathematical understanding and competence in the domains of multiplication and division.
- \* to engage in reciprocal teaching of reading that will assist in sustaining reading levels of students.
- \* to assist staff and students to understand our Franciscan charism through a prayerful focus.

These goals are important signposts for us and guide us throughout the year. As families in a catholic community what signposts or goals do you have as a group and as individuals? Goals help us to achieve and focus on things important to us.

Best wishes to everyone in achieving your goals as we work together in 2015.

Peter Brogan  
Principal

*May each of us be  
blessed with eyes  
that see,  
hands that safely hold,  
feet that gently tread  
and hearts that know  
that God  
surrounds us always.*

*Amen*

## From the Assistant Principal , Mr Peter Regan

In 2013, Year 8 Geography students embarked on a Challenge Based Learning Project where they were posed a problem and had to work together to find a solution to create and implement sustainable initiatives for our school.

Students researched how they could implement the sustainable initiatives, make contact with relevant companies that may help their cause and coordinate site meetings when needed.

Bailey Raymond and Jack Maddford were responsible for St Agnes receiving its first Water Refilling Station. Their aim was to raise awareness of water and the disposal of waste material in our school community. The project saw the installation of a water refilling station which allows students to fill their water bottles with fresh, filtered water.

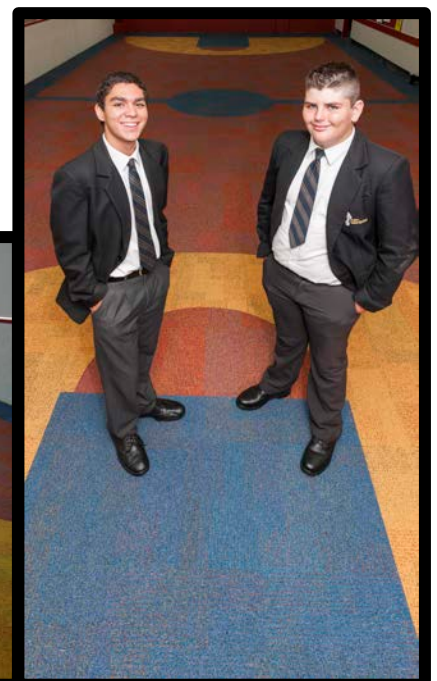

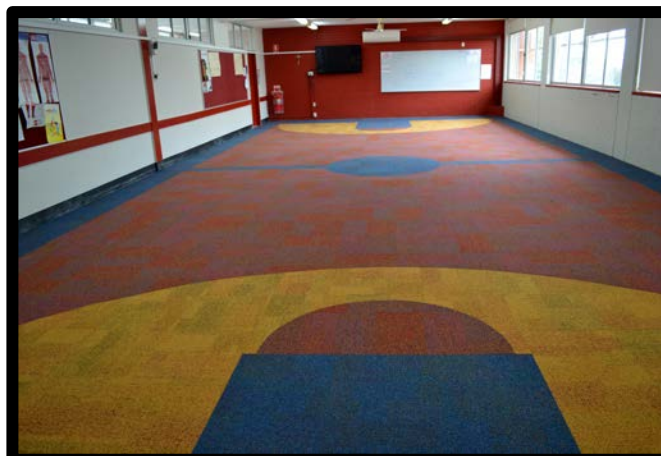

This project resulted in the students being successful in a 'Go Greener' competition held by a company called Interface. They won a \$1000 grant for implementing this sustainable initiative in our school.

The Water Refilling Station Project proceeded into a voter competition in September 2014. As we were the winning school we won the opportunity to have 6 classrooms recarpeted in designs from the Interface Discovery Education Collection. Bailey and Jack were involved in choosing the designs with representatives from the company. It was a very rewarding and wonderful experience for these two students.

Over the Christmas holidays rooms were completed and have totally revitalized the learning spaces in the following rooms: GR13&14 have the sporting theme: Basketball court, GR16&17 have the Religious Education theme: Tau Cross, MO24&25 have a mathematics theme: Formula's/Symbols.

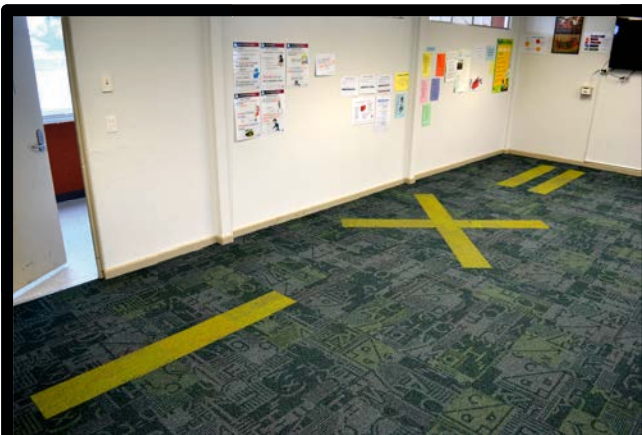

I would like to take the opportunity to thank Bailey Raymond and Jack Maddford for the legacy that they have left St Agnes with. Also a very big thank you to Brendan Hogan and Kate Vale, from Interface, who have totally transformed these classrooms into engaging and modern looking spaces with their products.

## Changes to the Free Bus Travel Entitlement Boundaries

We have been informed that the boundaries for free bus travel have changed. The result of these changes have indicated that a number of students now miss out on free bus travel which puts them in situations that are dangerous due to the crossing of major roads and highways.

As a school community Mr Brogan would be happy to address this issue with the Department of Transport and our local state member of parliament, Mr Richard Amery.

If the change of boundaries by Busways has affected your child and you wish Mr Brogan to act on your behalf please email [ndeluca@parra.catholic.edu.au](mailto:ndeluca@parra.catholic.edu.au) expressing your concern as well as contacting Richard Amery personally on 9625 6770 or at [mount.druitt@parliament.nsw.gov.au](mailto:mount.druitt@parliament.nsw.gov.au)

The more responses we get will enable us to present a strong case regarding this situation.

For more information regarding the eligibility of School Student Transport Scheme visit the [Busways website](#)

## From the Teaching & Learning Coordinator, Mr Laurence De Martin

Years 7-10 Assessment Handbooks can be accessed through the Teaching and Learning menu on our school website and on the school Moodle. These handbooks are designed to give students information about formal assessment procedures. Dates have been provided for all relevant assessments. Some assessment dates may change due to changes in the school calendar. Students will be given sufficient notification of two weeks of any changes.

Assessment is used to find out what a student needs to learn, how well a student is doing as a course progresses and how well a student did at the end of a unit. Assessment can be formal or informal. An example of informal assessment would be a teacher's judgement of the work completed in class or participation in a particular activity. Formal assessment can include tasks such as assignments, exams, research projects, performances, portfolios and practical tests. Formal assessment tasks include information on the outcomes that are being assessed and an indication of what students have to do to achieve a given grade.

I have included an extract from the Assessment Handbooks regarding student responsibilities. It is important that all students familiarise themselves with them. These are as follows:

- Speak with the Teaching and Learning Coordinator or the Principal if you are in doubt about the requirements of the Assessment Policy.
- Cooperate with the process of Assessment.
- Inform the school if you are to be absent on the day of an assessment task.
- Do not plagiarise (i.e. copy) other peoples' work. Malpractice or dishonesty will lead to a zero mark.
- Ensure that any questions about marks, grades or comments awarded for an individual piece of work are resolved when the work is handed back.
- Demonstrate that thorough effort and achievement have been met the requirements of that course.

- Complete all assigned work to the best of your ability.
- Complete the task on the set date that it is due. Penalties will apply for late submissions.

Students will have access to the Google school assessment calendar that outlines on a term basis all assessment dates. Students should familiarise themselves with these dates and make use of Homework Club that takes place every Tuesday afternoon between 2:30-3:30pm in the library to receive assistance from teachers in the completion of their tasks.

**CAPTIVATE**  
*the spirit of expression*

The Parramatta Diocese is providing a wonderful opportunity for vocalists and advanced instrumentalists (played for 2 years or more) to meet, make friends and combines their gifts and talents with "CAPTIVATE SHOWCASE" performances, which will be held in June at Nagle College. The program encompasses Music, Drama, Dance and Visual Arts.

Students work with critically acclaimed practising artists, who engage and mentor students by sharing their experience and providing insights into the art world beyond the classroom. More information can be found on the Captivate website:

*Good and loving Father, open our hearts to hear your voice and to fulfil your holy will, as we strive to remain always united in communion with you. Grant us the daily grace, Lord, to live in your Triune life in the glory of the Resurrection. We ask this through Christ our Lord.*

*Amen.*

### Opening School Mass

On Friday February 6, we celebrated our Opening School Mass at Our Lady of Victories, Horsley Park. The theme of the Mass was "Sharing in the Light of Jesus."

As a student body we would like to celebrate "Sharing the Light of Jesus" throughout the rest of our school year. We all know how important it is to live our faith and follow Jesus' examples and teachings. Each of us can share the light of Jesus every day! Whether you are a Year 7 student or a Year 10 student, whether you are a teacher or a parent, each of us can make a difference by how we treat each other. When we are kind to each other, using kind actions and words, the light of Jesus within us shines for others to see. No matter who we are, we can all work together to share the light of Jesus!

This is the challenge that the St Agnes community faces this year - how will you approach this?

At the Opening School Mass we commissioned our new teachers and had our Year 7 students blessed, along with their Bibles. Fr Pat Mullins of Holy Family celebrated Mass with his usual enthusiasm that all at St Agnes continue to appreciate. It was a fabulous celebration in which we all gathered to celebrate the Eucharist.

### Lent - Into the Desert

Lent is a time when we prepare, as a faith community, to meet the risen Christ at Easter. It is a time for us to turn away from what keeps us from living the Gospel.

The next 40 days provide an opportunity for our desert time. In the stillness and quiet of the desert, it is easier to become aware of the presence of God, as Psalm 42 suggests - "Be still and know that I am God."

When we take time out of our day and turn away from the distractions of modern life - our phones, technology and media - we can experience something of 'desert' stillness.

Lifted out of our preoccupations, we look out on the world with fresh eyes. When we start to listen, we come to know the heart of Jesus and his longing to bring every person to the fullness of life.

Our Ash Wednesday Liturgy of the Word next week will invite us all to 'nourish ourselves' with spiritual food for the journey during these 40 desert days.

*Lord, I ask that you accompany me  
on my Lenten journey.*

*Open my heart to your will for me.*

*Grant me a change of heart that I  
might turn away from things that  
stop me following in Jesus' footprints.*

*I ask that you fill me with a hunger  
for justice and peace.*

*By your grace, may my life be  
enriched by prayer, unselfish ways  
and a willingness to share.*

*I ask this through Christ our Lord.*

*Amen*

## INFORMATION FOR PARENTS AND CARERS OF STUDENTS AT RISK OF ANAPHYLAXIS

It is the responsibility of the parent or carer to notify the school if their child has an allergy and is at risk of Anaphylaxis. This notification should occur either at the time of enrolment, or if the student is already enrolled, as soon after diagnosis as possible.

Students diagnosed as at risk of Anaphylaxis need to supply the school office with the student's most recent copy of their ASCIA Action Plan for Anaphylaxis completed, signed and dated by their doctor.

We ask parent/carers to supply the school office with an Auto-Injector (EpiPen), checking the expiry date is up to date. A new Auto-Injector and action plan needs to be supplied to the School office prior to expiration.

Please contact the school office if you would like to discuss the schools procedures for students at risk of Anaphylaxis or if you have any questions.

## Tax File Number Programme

We have been informed that as of 1<sup>st</sup> January, 2015 the Australian Taxation Office has decommissioned the Secondary School Students Tax File Number Applications Program. This means that students can no longer apply for a Tax File Number through the school.

### How students can apply for a TFN from 1 January 2015

The Australian Taxation Office, in partnership with Australia Post, is making it easier for individuals to apply for a TFN.

Students can now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

Applying online is the fastest and most convenient way for students to get a TFN. More information on applying online can be found at [ato.gov.au](http://ato.gov.au) by searching for 'QC27248'.

Students who are unable to visit a participating Australia Post office will need to complete the application form '[Tax File Number - Application or Enquiry for Individuals](#)' form (NAT 1432) online

More information about lodging this form can be found at [ato.gov.au](http://ato.gov.au) by searching for 'QC22604'.

If you require any further information you can phone 1300 130 282 between 8.00 am and 5.00pm Monday to Friday.
